TRIAL ENTRY INFORMATION

Trial Entry Open and Closing

- The draw period for the trial will **open on Thursday March 28, 2024 at noon eastern**. Entries will be awarded by random draw of all entries received between noon Eastern March 28, 2024 and noon March 30, 2024.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or the day of the trial.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 48 hours to complete your payment to confirm your space in the trial.

Entry Method

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from

chestnuthillcaninesports@gmail.com or runspotjumpdog@gmail.com to let you know if your entry has been given a space in the trial.

Entry Requirements & Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member in good standing for the 2023-2024 membership year (8/1/23 - 7/31/24).
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the ORT title (passed all 3 odors) and prior title level at least 14 days before the trial opens for entries. This applies to all levels effective April 1, 2021.
6. Qualified entry for NW2 – Dog has earned a NW1 title and has not yet earned the NW2 Elite title level.
Qualified entry for Level 1 Container – Dog has not earned the Level 1 title for Containers.
Qualified entry for Level 2 Interiors – Dog has earned the Level 1 title for Interiors but has not yet earned the Level 2 title for Interiors

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above.
- Once the trial opens for entry, if you are having technical difficulties entering during the 48 hour draw period, please email trialeentry@nacswnet prior to the end of the draw period. For any other questions that are not related to the trial entry system, contact the host at chestnuthillcaninesports@gmail.com.
- No dog will be given a space in more than one trial of the same level and type at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the competitor's responsibility to notify the host that the requirement has been completed.
- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.
- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results. **If space remains after all qualified entries are accommodated on April 11, 2024, then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO).** Second dog/handler FEO entries on the same day will be offered spaces after April 18, 2024.
- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

You will be notified via e-mail of the results of the random draw by April 5, 2024 5pm eastern.

LOCATION DETAILS

ADA Site Specific Conditions

The trial location is a large church. The parking lot is paved and somewhat level. There may be long walks to or from search areas. Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.

Modeled after real-life detection work, NACSW trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that

may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

Parking

The parking lot is paved with very minimal shade available. Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Reactive Dog Parking

There will be a small reactive dog parking area at this trial for those who wish, however the parking is tight and there will not be separate potty areas or warm up boxes. Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Unentered Dogs

Unentered dogs must remain in the competitor's vehicle during the trial day. Unentered dogs should not be allowed to "play", exercise, or train on the trial grounds.

RV Parking

There may be space for a couple of very small RVs to park in the competitor parking area during the trial day. To reserve a space, you will need to contact the host after you receive a confirmation that you have received a space in the trial. Email chestnuthillcaninesports@gmail.com to reserve RV space. No overnight RV parking is available. Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Smoking

Smoking is not allowed on this trial site, including the use of e-cigarettes

Hotels

A short list of area hotels will be provided with entry confirmations.

DOG INFORMATION

Dog Policies

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Competitors should expect to keep their dogs confined in a crate or vehicle when not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths.
- Refer to Location Details (above) for information on unentered dogs.

Females in Season

Females in season will be allowed to run wearing "pants" at the end of each search after all other dogs have been judged. Handlers with females in season should park and toilet their dogs away from the other dogs if the location logistics permit. Handlers must contact chestnuthillcaninesports@gmail.com so plans can be made for the dog.

It is not the responsibility of the host or NACSW to return score sheets that are left behind or to mail ribbons that are not picked up.

Spectators

Additional guests are welcome, however spectating opportunities may be limited as many searches may be inside in small areas. Spectating may be allowed at some searches, space permitting and at the Certifying Official's discretion. Spectators may not photograph or video searches. Spectators are reminded that the hide placements must not be discussed nor should they speak with any handlers about what they saw until after the event is complete. Everyone at the trial site must sign the waiver provided by the host and comply with all event requirements. Handlers are not allowed to watch the searches at any time.

Videotaping and Photography

At the host's discretion, a photographer and/or video service may be present during the trial to offer photos and/or videos for sale to the competitors.

If the site allows public video to be taken, handlers may wear visible head or chest cameras to record their searches. You will not be allowed extra time at the start line to get your camera functioning. Please be sure it is ready to go prior to arriving at the search area. Videos may not be made public until completion of the trial day.

There is no photography or video allowed by spectators or volunteers.

As a condition of your entry, you agree to allow NACSW, or their agents, to video you and your dog during the entirety of the NACSW event. These videos are the property of NACSW.
